

2020 Year of the Wild! Homegrown National Park

By Ruth M. Rose January 31st 2020

**A Year to Grow-
A Year to Sow-
A Year to Learn of Nature!
A Year to Clear-
A Year to Shear-
A Year Conquering Cedar Green Glacier!**

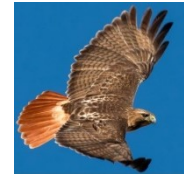

**A Year to Read-
A Year to Seed-
A Year Reclaiming Lawns!
A Year to Weed-
A Year of Reeds-
A Year to Learn of Awns!**

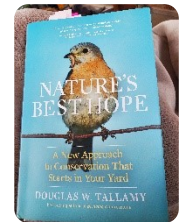

**A Year of Bees-
Of Planting Trees-
Caterpillars Materialized!
With Each Fresh Breeze-
All Stresses Eased-
A Year of Butterflies!**

**And Then the Birds-
There are No Words-
For the Songs and Beauty Shared!
As Raptors Flew-
And Wild! Grew-
We Felt our Health Repaired!**

**This Year of Fear-
Turned into CHEER-
And Taught Us All To Cope!
A Year of BLOOMS-
Dispelled our Glooms-
And gave us *Nature's Best HOPE!***

**A Year of Home-
A Year of Grown-
Of Growing National Park!
And Natures' Call-
To One And All-
"Share HOPE, Our Firefly 'Spark'!"**
