

Birdie and Bug Bed & Breakfast

The purpose of this project is to *recycle yard debris as it appears*, while keeping your wildlife habitat neat and tidy--- Providing ongoing support for the Wild!

You will need:

- Two Cinder Blocks
- Several untreated boards cut to your preferred 'height'
- Some sticks and branches
- Rocks, branches, leaves—whatever you prefer to cover the blocks
- Shelter Belt—existing shrubs, recycled Christmas Trees, a native, non-invasive evergreen, or—any idea that suits your style!
- A cute sign indicating Birdie and Bug B&B- This could be painted on a rock or board—Be creative!
