

March 12, 2023

Thank you for your interest in applying for a members-only Native Plant Grant from Loess Hills Wild Ones. We are excited by the possibility of helping you incorporate native plants into the Siouxland region!

Only Loess Hills Wild Ones members may apply for this grant. Selected recipients will be awarded one flat of native plants from our Spring Native Plant Sale.

Please fill in the entire grant application to the best of your ability. The questions are designed to get you to think about and plan for all aspects of the project, the application is evaluated in its entirety. **All grant applications are due by May 1, 2023.**

If you have any questions, please contact us at loesshillswildones@gmail.com and include the word "Grant" in the subject line.

Grants will be awarded on May 10, 2023. We look forward to reviewing your application, and we are excited about the possibilities of more native plants in our area.

Sincerely,

Loess Hills Wild Ones

NONPROFIT GRANT APPLICATION

SPRING 2023

(THIS FORM IS DUE BY MAY 1, 2023)

Instructions

- Read the introductory letter so you will understand the awards process and eligibility requirements.
- Complete all sections of the Grant Application Form. These questions are designed to get members to think about and plan for all aspects of the project, the application is evaluated in its entirety.
- After completing this form, attach it to an e-mail message addressed to loesshillswildones@gmail.com noting "Grant Application" in the subject line. Or print out a blank copy of the application, fill in by hand and mail to LHWO Grant Committee, 3301 Walden Ave., Sioux City, IA 51106.
- If you have any questions or need further information, please send an email to loesshillswildones@gmail.com and include the word "Grant" in the subject line.

Name of Person/Group Requesting Grant:

E-mail Address:

Project Location:

Project Description

Please answer the following questions in one or two sentences:

- What are the short- and long-term goals of the project?

- Please include a preliminary list of species you plan to plant. List scientific and common names, numbers of plants, and an estimate of the cost. (Estimate of 1 plant per square foot to get total numbers.)
- How did you choose the plants for this site? Did you have assistance?
- What is your planned timetable, including planting date(s)?
- Have you raised other funds for this project? Are other organizations contributing, and will they be listed as co-sponsors?

- What will the site be used for besides supporting wildlife and pollinators? (i.e., Meetings, organization activities, public use)

Agreement

- The Chapter shall have the right to supply others with a description and photos of the project and disseminate its underlying concepts and/or ideas.
- I agree to acknowledge this funding source in any project publicity or printed materials.
- A representative of the Chapter will periodically observe your garden. We offer to mentor you and your new garden if desired.
- I will display the provided Loess Hills Wild Ones sign in the wildflower garden.
- I will submit photos of the garden to the Chapter as able.
- I will provide within one year of the date of the award, a detailed listing of how the grant funds were used, a brief description of how the planting process went, and where the project stands after a year.
- Plantings are typically done in spring or fall. School gardens must arrange for maintenance and watering after installation, especially for spring plantings.
- The Chapter and sponsors and/or any of its agents, officials and employees shall assume no responsibility or liability for claims of damage of any kind to property or for claims of injury to any person in connection with a grant.

I agree to these terms and conditions:
