Project Description

- Please provide a brief description of how your project will restore or develop the native plant community; provide habitat for native wildlife; and/or educate others about the beauty and significance of native ecosystems.

- Will the plants be used on your own property or somewhere else? If somewhere else, explain how the site will be maintained and who will be responsible for maintenance.

- What are your short- and long-term goals for the planting site?

- Describe the project location: What is the soil/ground like? How much sun does it get (hours/day, morning only, all day, etc.)? How moist does the soil get/remain after rain? What are the approximate dimensions?

- This grant program allows selected applicants to obtain one flat of plants from Loess Hills Wild Ones 2023 Fall Native Plant Sale. **Please review the plants available from the sale and include a list of the plants you would choose if you are successfully awarded a grant.** (Note: We understand that the plants listed may change.)

Agreement

- The Chapter shall have the right to supply others with a description and photos of the project and disseminate its underlying concepts and/or ideas.
