

**The Seeds I Sow**

**The Seeds I Sow-  
Do They Bring Strife?  
Do They Bring JOY?  
Do They Bring LIFE?**

**The Plants I Plant-  
Both Tall and Short  
The Seedlings I Grow-  
Do They Nurture and Support?**

**The Thanks I Give-  
For All Life This Day  
Depend on ME-  
For THEIR *'Life's Bouquet'*.**

**When I Propagate-  
And When I Share-  
Does It Bolster Up?  
Does It Show I Care?**

**I Make a Choice-  
With What I Spray-  
With What I Spread-  
With What I Say.**

**I Give My Thanks-  
As We Take Our Places-  
For I Can Choose-  
What Goes in MY Spaces!**

**I'll do my BEST-  
To Share My Bounty.  
With Those Inside- and Outdoors-  
And In My County.**

**I'll Take a Walk-  
And Notice the Wild-  
The Smallest Insect-  
The Playing Child.**

**I'll Think About-  
The Seeds I Sow-  
The Plants of LIFE-  
The Lawn I Grow.**

**The Seeds I Sow-  
Throughout the Holidays-  
I Hope Sprout Joyous Growth-  
Among the REST of my Days!**

**The NATURE I See- and the HOPE I Feel-  
While Strolling Along the River Banks-  
This Earth-This Nature WE CAN HEAL-  
On This- The Day that We Give Thanks-**

**Happy Thanksgiving to YOU and YOURS!**
