Around Siouxland: Native Plant Sale

Published: May 12, 2025 at 12:52 PM CDT |

Updated: 17 hours ago

← Danielle and Dawn had a great
interview on Around Siouxland!

GRANTS AWARDS will be at 5:30 PM
Friday!

There will be **FOOD!**

THANK YOU to **EVERYONE** helping with
this plant sale!

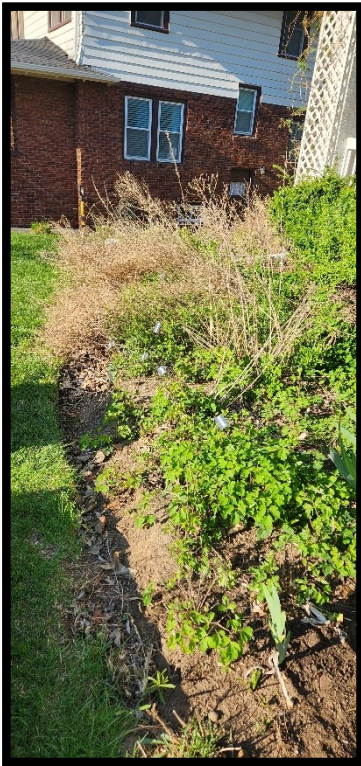

Especially Cheri and Tom for hosting!

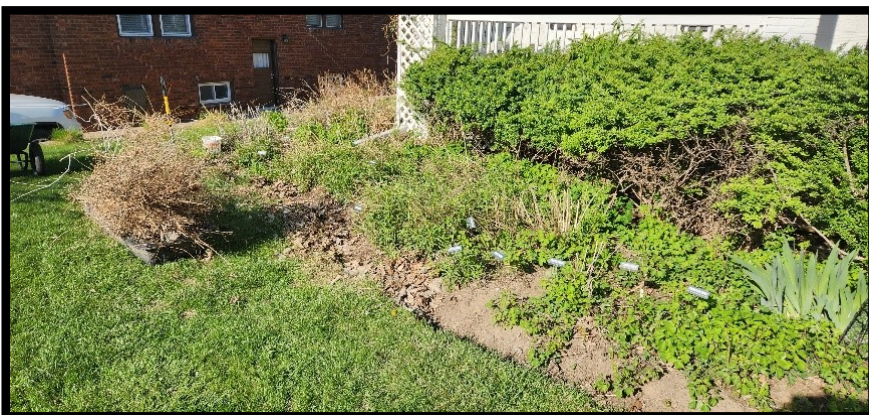

In anticipation of the Native Plant Sale, we started as little cleanup as possible at Sylvia's and at 'The Flower House!' We carefully cut stems at 12-18 inches minimum, leaving those for the bees and pollinators to use as nesting materials. The seed heads and stems were placed in the

Birdie and Bug B&B

--or in the alleyway for all the critters that use them year around!

**THANK YOU to Lisa,
Dawn, Mercedes,
Nelle, and Ruth!**

← At the 'Wild Mess in Progress', MANY of our Winter Sowing milk jugs are sprouting!

Roots on the Showy Milkweed

MMS 11:47 AM

Unbelievable!!

So are Marcie's! Look at those ROOTS! WOOOOWWWW!

Look at the roots on this Rose Milkweed!

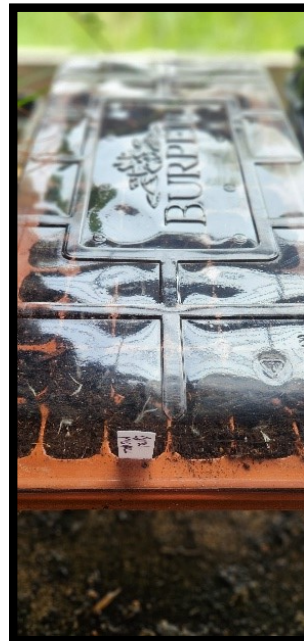

MMS 11:34 AM

Wooooooooowwww!!!

Some of ours we are Brownie Planting by slicing chunks of baby sprouts and planting them directly into their permanent homes.

We are also up-potting MANY into recycled plant containers from previous sales!

← Guess what? It is already SEED HARVEST TIME for many of our Spring plants! Coral shared her [Pasque Flower Seeds](#), and Leesa M. gifted her Seed Starting pots for a new experiment at the 'Wild Mess in Progress'!

We seeded these RIGHT AWAY, just as Nature is doing at this moment.

Find what you need, little seeds!!

THANK YOU Coral and Leesa!

The Sioux City Garden Club hosted their plant sale this week too, and we scored some native Jack-in-the-pulpit!!

We are SO excited!!

Click photo for details!

Wishing you a week filled with "Native Plant Spring Sales!"
